

THE SCHOOL BUS SAFETY HANDBOOK

Choosing and Using Child Safety Restraint Systems

Deborah Stewart, Linda White and Mary Anderson

The School Bus Safety Handbook: Choosing and Using Child Safety Restraint Systems

■	Introduction: Keeping Kids Safe	vii
	Choosing and Using Child Safety Restraints and Wheelchairs in School Buses	vii
	Goals of This Handbook	vii
	How will this handbook help you?	viii
	Part I: Managing Child Safety Restraint Systems for School Districts	I
	A Recipe for Success	2
■	Ch. 1. Child Safety Restraints as Part of School Bus Management	3
	Staffing	3
	Training in Child Passenger Safety	3
	Community Safety Resources	5
	Active Involvement in the IEP/IFSP Process	6
	Inventory Management	6
	Table 1-1. Management of CSRS Inventory	7
	Emergency Evacuation Planning	8
■	Ch. 2: Selecting and Equipping School Buses for CSRS and Wheelchairs	9
	Basic Concepts of Safety Restraints for Children	9
	Vehicle Selection Related to the Child and CSRS Anchorage Needs	9
	School Bus Seating	11
	Seat Belts, LATCH, and Built-in CSRS	14
	Table 2-1. Safety Restraint Systems Built into School Bus Seating	14
	Seating and Lap Belt Features for CSRS installation	15
	Anchoring CSRS for Special Needs	17
	Table 2-2. Troubleshooting School Bus Seating Incompatibility	18
	The Whole Picture	19
	Table 2-3. Bus Seating Options/Features Available, as of June 2009	20
	Specifications for New Buses for Use with CSRS	21
	Wheelchair Use in School Buses	22
■	Ch. 3. Selecting CSRS or Wheelchairs for Use on School Buses	23
	Variety of CSRS Options	23
	Table 3-1. Children’s Needs and Suitable Types of CSRS for Bus Use	24
	Key Concepts of Child Passenger Restraint	25
	Table 3-2. Comparison of Anchorage Methods for Different Types of CSRS	27
	Choosing CSRS Products Based on Anchorage Type	28
	Cam Wraps	28
	Table 3-3. Safety Harnesses/Vests Specifically For Use WITHOUT Seat Belts	29
	Table 3-4. Safety Harnesses/Vests for Use Specifically WITH Lap Belts	29
	CSRS Anchored With Lap Belts	30
	Useful Features of Conventional CSRS	31
	CSRS with LATCH attachments	33
	Medical CSRS for Special Needs	35
	Wheelchair selection for use in motor vehicles	35
	Table 3-5. Medical CSRS for Use on School Buses, September 2009	36

- Part II: Hands-on with CSRS on School Buses 39**
 - Hands-on Training in installation and Use of CSRS 40
 - **Ch. 4. Installing a Child Safety Restraint System on a School Bus 41**
 - Guidelines for Location of CSRS on Buses 42
 - Installing Safety Harnesses and Vests with Cam Wraps 42
 - Installing Conventional CSRS on School Buses 43
 - Using a Lap Belt to Install a Conventional CSRS 45
 - Using Lap-Shoulder Belts to Install CSRS 46
 - Using LATCH anchors 47
 - Anchoring a Tether 48
 - Table 4-1. Anchoring a Tether Without a Built-in Tether Anchor 49
 - Installing a Wheelchair for Safe Transport 50
 - **Ch. 5. Securing a Child in a CSRS, Seat Belt, or Wheel Chair Correctly 51**
 - Using a Conventional CSRS Correctly 51
 - Table 5-1. Checklist: Basics of Correct Use of CSRS 53
 - Using a Safety Harness or Vest or School Bus-Specific CSRS Correctly 55
 - Using a Booster Seat Correctly—If at all 56
 - Using a Lap belt or Lap-Shoulder Belt Correctly 57
 - Children with special health care needs 57
 - Correct seat belt use for wheelchair passengers 58
 - Emergency Evacuation: CPS Aspects for Drivers, Aides, and Monitors 59
- Appendices: Resources and References 61**
 - **Appendix A: Terms and Concepts 61**
 - Occupant Restraint Terms 61
 - School Bus Types, School Bus Seating Types 63
 - School Bus Requirements Related to CSRS Installation 64
 - Other Child Passenger Safety Terms 65
 - **Appendix B: Basic Types of Child Safety Restraint Systems 67**
 - General Terms 67
 - Conventional CSRS Types 68
 - **Appendix C: Resources 69**
 - General School Bus Safety for Preschoolers 69
 - School Transportation Organizations and Resources 69
 - Training Opportunities 70
 - Locators for Individuals with Specialized CSPA Training 70
 - Technical Child Restraint and Installation Information 70
 - Special Needs Transportation 71
 - Wheelchair Transport 71
 - 15-Passenger Vans 71
 - **Appendix D. Manufacturer Contacts: 73**
 - School Bus Seating Manufacturers: 73
 - School Bus Vehicle Manufacturers: 73
 - Related school bus suppliers: 74
 - Wheelchair and Tie-down Manufacturers: 75
 - Child Safety Restraint Manufacturers 75
 - **Index 77**
