

**Barbara Birkenshaw**  
**Volkswagen Group of America**

Barbara is the Child Passenger Safety Advocate for Volkswagen Group of America and is the current Chair of the Society of Automotive Engineers Child Restraints Subcommittee. She formerly served on the National Child Passenger Safety Board as the vehicle manufacturers' representative. In addition, Barbara served as a company representative on the Center for Child Injury Prevention Studies (CChIPS) Industry Advisory Board. In her role as Safety Affairs Consultant at Volkswagen Group of America, she ensures that vehicle development and design direction is provided through interpretation of regulations pertaining to the KT Safety Act, child passenger safety, and any additional Federal/Canadian Motor Vehicle Safety Standard, as deemed necessary.
