

Safe Ride News

Resource Guide for CPSTs

Here are some of the many websites that CPS technicians find helpful (as of September 2020). The bottom of the reverse side has space for listing your local resources. Safe Ride News Publications is not responsible for the content on non-SRN sites.

❖ CPS Certification Sites

Safe Kids Worldwide: <http://cert.safekids.org>

A global, non-profit organization dedicated to the prevention of unintentional childhood injury, and the certifying body for the national CPS program. Look here for certification program information, recertification management, and CPST/course locators.

National CPS Board: www.cpsboard.org

Advisory board for the CPS certification program. Look here for CEU opportunities, certification course manuals, appendix materials and videos, and community outreach kits. Sign up to be on e-mail list.

❖ Sites Dedicated to CPS

Crash Protection for Child Passengers:

Rationale for Best Practice:

www.cpsbestpractice.org

This website of the University of Michigan Transportation Research Institute features a document that describes the basic principles behind the design of CRs and applies them to the needs of children. It also has free CPS drawings, photos, and crash test video clips available for educational purposes.

National Center for Safe Transportation of Children with Special Healthcare Needs:

www.preventinjury.org/Special-Needs-Transportation
1-800-755-0912

This program of the Automotive Safety Program at Riley Hospital for Children, Indianapolis, IN, offers information on special needs restraints, special needs course opportunities, and a database listing CPSTs with special needs training.

Safe Ride News Publications:

www.saferidenews.com; 800-403-1424

Publisher of CPS-related materials, such as *Safe Ride News* newsletter, the *LATCH Manual*, *The School Bus Safety Handbook*, fact sheets on CPS topics, and other training materials. Look here for ordering information for SRN products, resources for CPSTs and caregivers, and CEU opportunities.

SafetyBeltSafe U.S.A.: www.carseat.org

A national, non-profit CPS organization. Look here for the Technical Encyclopedia of CPS information, the Pictorial Guide for identifying car seats, CD of manufacturers' instructions w/ summary pages, information on recalls, and state/federal laws and regulations. Membership to limited-access pages for CPSTs available.

Car-Safety.org: www.car-safety.org

Access to major CPS forum, blog, and other information.

The Car Seat Lady: www.thecarseatlady.com

Access to blog and other CPS information, including tips for taxis.

❖ Safety Sites That Include CPS

American Academy of Pediatrics (AAP):

www.aap.org (for professionals)

www.healthychildren.org (for families)

The AAP is the organization of pediatricians committed to the health and safety of children. These sites have AAP Policy Statements and Clinical Reports on CPS topics, a CR shopping guide, educational resources for parents/advocates, and information for special needs, teens, CPS in childcare.

**Children's Hospital of Philadelphia (CHOP),
Center for Injury Research and Prevention:**

<http://injury.research.chop.edu>

Evidence-based information, resources, and tools. CHOP's pediatric injury research priorities include teen driver safety, child passenger safety, and pediatric biomechanics.

Insurance Institute for Highway Safety (IIHS):

www.iihs.org

A nonprofit, scientific, educational research and communications organization funded by auto insurers. Look here for issues of *Status Report* publication, ratings of vehicles and some CRs, educational CPS materials, and state/federal laws and regulations.

❖ School Bus Resources

National Association for Pupil Transportation:

www.napt.org

A school bus industry resource for pupil transportation issues.

School Transportation News:

www.stnonline.com

Free magazine of school bus industry, regulatory, and safety news.

Safe Ride News Publications:

www.saferidenews.com

SRN's *School Bus Safety Handbook* covers all aspects of use of CSRS on school buses.

❖ Wheelchair Transport

University of Michigan: www.travelsafer.org

**Rehabilitation Engineering Research Center on
Wheelchair Transportation Safety (RERC WTS):**

<http://wc-transportation-safety.umtri.umich.edu>

❖ Safety In And Around Parked Cars

These sites promote awareness and prevention of non-crash, non-highway injuries to children in cars:

Kids and Cars: www.kidsandcars.org

Safe Kids USA: www.safekids.org/nlyca

NHTSA: <https://www.nhtsa.gov/road-safety/child-safety>

❖ Federal Government Websites

National Highway Traffic Safety Administration:

The U.S. federal regulatory and traffic injury prevention agency.

www.NHTSA.gov

Current CPS program info, research, recall list, fitting station locator, ease-of-use ratings, complaint filing, etc.

www.safercar.gov

Information on vehicle safety features and testing, recalls (vehicle, tire and CR), and parked car safety. Links to register a CR, file a vehicle or CR complaint, research defect investigations, and register to be notified when recalls occur.

Federal Regulations:

www.federalregister.gov; journal of US rulemaking

www.regulations.gov; view/comment on rule proposals

Federal Aviation Administration:

www.faa.gov/passengers

U.S. government site; includes advice for flying with children.

National Transportation Safety Board:

www.nts.gov

An independent federal U.S. agency that investigates significant crashes and researches means of prevention. Includes information on CRs, school bus safety, air travel and other topics.

Transport Canada:

www.tc.gc.ca/roadsafety/safedrivers

Canada's federal traffic safety agency.

❖ National Conferences with CPS Focus

Lifesavers: www.lifesaversconference.org

Kidz In Motion: www.kidzinmotion.org

❖ CPST/Inspection Site Locators

Inspection sites: www.seatcheck.org

Sites/CPSTs: <http://cert.safekids.org>

❖ Listservs/Facebook Pages

To join, send an email to the address given:

CPSPList: General CPST discussion

CPSPList-subscribe@yahoogroups.com

CPS-in-HealthCare: Connects nurses on CPS issues

CPS-in-healthcare-subscribe@yahoogroups.com

CPS4EMS: Ambulance issues

CPS4EMS-subscribe@yahoogroups.com

CPSforSchoolBuses:

Special needs/preschoolers on school buses

CPSforSchoolBuses-subscribe@yahoogroups.com

Special Needs: ajmcgove@iu.edu;

Put "special needs transport FB page" on the subject line.

Local CPS Resources
